# Welcome Remarks

Ms Esther Lau, Director of Star Magic

Good afternoon everyone,

First, let me extend a warm welcome to all of you. It's wonderful to see so many supportive faces here today.

Parents, thank you for supporting your children in their dance journey. They worked hard to prepare for today's performance.

Year 2024 is near to its closure and I would like to take this opportunity to recap our progress this year.

In APRIL, we held the 3rd CSTD Ballet Examination followed by the Graduation Celebration in June.

As a dance school which supports dance competition, we were delighted with our participation in the CSTD Asia Pacific Dance Competition in August and recently the TDO Dance Competition in Thailand.

I want to take a moment to celebrate a proud achievement for our school and students with their achievement in the TDO Bangkok.

Their success is a result of their hard work, the guidance of our incredible teachers and our Artistic Director, and most importantly the unconditional support from the parents.

I would like to thank our sponsors, Royal University of Fine Arts, Canadia Bank Plc, Rose Garden, Olympia City Phnom Penh, One Memory Photopgraphy, Philippines International School of Phnom Penh, Khema Pasteur and AIA (Cambodia), thank you for their generosity and belief in what we do. Your support makes achievements like these possible and allows us to keep growing and prospering.

To our amazing teachers, thank you for your dedication and passion. You are the backbone of this school, and it's your hard work that shapes our students into the confident dancers and individuals they are becoming.

To our students, remember: it's not about being perfect, but about growing with every step. Confidence is your most powerful tool, and I hope you carry it with you not just today, but always.

To our parents, thank you for being with us on this journey. Let's remind ourselves that it's not about perfection but about progress, learning, and celebrating the joy of dance and the confidence in your child.

Finally, a big big thank you to all the staff and assistants who have worked behind the scenes to make today's event possible. Your efforts mean so much, and we are truly grateful to you.

So everyone, let's enjoy the show and thank you once again for being here.
